NOTICE - WARNING CONCERNING COPYRIGHT RESTRICTIONS. The copyright law of the United States (Title 17, United States Code) governs the making of photocopies and other reproductions of copyrighted materials. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a reproduction order if, in its judgment, fulfillment of the order would involve violation of copyright law.

By my signature below, I state that I understand that the Arkansas History Commission (AHC) holds maps for purposes of private study, research and scholarship and that not all AHC maps are in the public domain. I agree not to copy, reproduce, circulate or publish them without the permission of and full credit to the Arkansas History Commission (for identification purposes) and of the copyright owner, if any. I have read the NOTICE and I assume all responsibility for any infringement by me of copyright held by others in the material requested. The AHC reserves the right to refuse reproduction of any map(s).
